

How can Chula Vista Prepare for Climate Change?

A Public Workshop on Climate Adaptation

Join the City's Climate Change Working Group at this community "open house" meeting and provide your feedback on the development of a Chula Vista Climate Adaptation Strategy.

Learn more about how climate change will effect:

- Water and energy supplies
- Wildfires
- Public Health Services
- Coastal infrastructure
- Ecosystems and biodiversity
- Local business and economy

Attendees will receive a FREE indoor water/energy savings kit!

June 16, 2010
5 - 6:30 pm

Norman Park Senior Center
270 F Street, Chula Vista

Light refreshments will be provided.

For more information, call (619) 409-3893 or visit www.chulavistaca.gov/clean
